Natural Bamboo Ergonomic Slant Bed

SIZE: FULL(03)

★ Excellent Customer Service

Please Contact Us Before Returning Our Products!

- All of our products have been tested before packed, but If any parts are missing or damaged, please contact us,we will reply to you ASAP.
- When replacing parts or hardware, please log in to your account and message the seller. It will better to include applicable photos or provide the part number and quantity.

PLEASE READ BEFORE ASSEMBLY

Read Before Beginning Assembly

- 1. Clear an area:** Please assemble the bed in a spacious space close to its final position. Lay carpet or protective padding to protect your floor and furniture from scratches.
- 2. Recommend team assembling:** We recommend at least two people for assembly. An extra helper will make the process faster and easier.
- 3. Check for all parts:** Most parts are labeled or stamped on the raw edge. Ensure all parts are included before starting.
- 4. Read each step carefully:** Follow the assembly steps in the correct order. Skipping steps or changing the sequence can lead to difficulties.
- 5. Fully tighten bolts after full assembly:** Do not fully fasten any bolts until the whole frame is assembled. Tighten all fasteners together at the end for better stability.
- 6. Contact us for support:** If you meet any questions or troubles during installation, reach out to us via the marketplace platform.

Caution

- 1. Choking Hazard:** This product contains small parts. Keep them away from children under 4 years old. Children under 4 years old must be supervised adults when near the bed.
- 2. Handle power tools carefully:** Overloading or improper use of power tools can strip or damage components and void your warranty.

Warranty Information

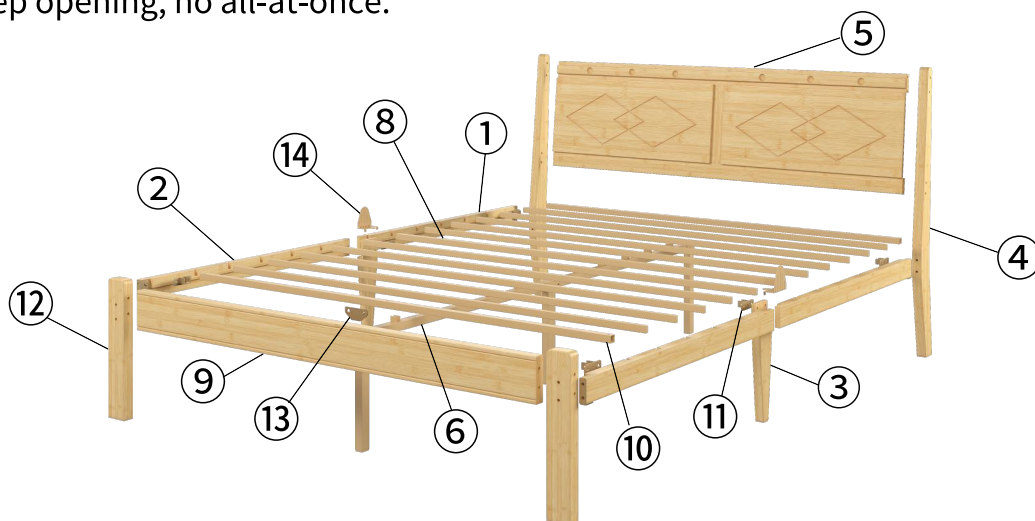

1. This product is warranted against defects in materials and manufacture for 5 years from the purchase date (proof of purchase required).
2. Warranty covers defective parts only. Assembly labor not included.
3. Not valid for misuse, improper assembly, alterations, or unauthorized repairs. No liability for consequential damages where permitted by law.

- ★ 1. This page lists all the items included in this package. Please identify the hardware and individual components before beginning assembly.
2. Only the numbered parts shown above are included for this model. Any skipped part numbers indicate that component is not needed for this bed frame.

				
①×2 Left Side Rail	②×2 Right Side Rail	③×2 Middle Support Leg	④×2 Bedposts	⑤×1 Headboard Panel-A
				
⑥×1 Center Support Rail	⑧×3 Center Support Bar	⑨×1 Footboard	⑩×10 Slats	⑪×6 Connector-A
			Legend: ①×2 means Part No. ①, 2 pieces. M8*27 means an M8 - sized screw with a length of 27mm.	
⑫×2 Foot of Bed	⑬×1 Connector-B	⑭×2 Mattress Gasket		

		 	  	 		 	Spare A × 1 B × 1 C × 1 D × 1 E × 1 F × 1 G × 1 H × 1
Tool	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6-1	

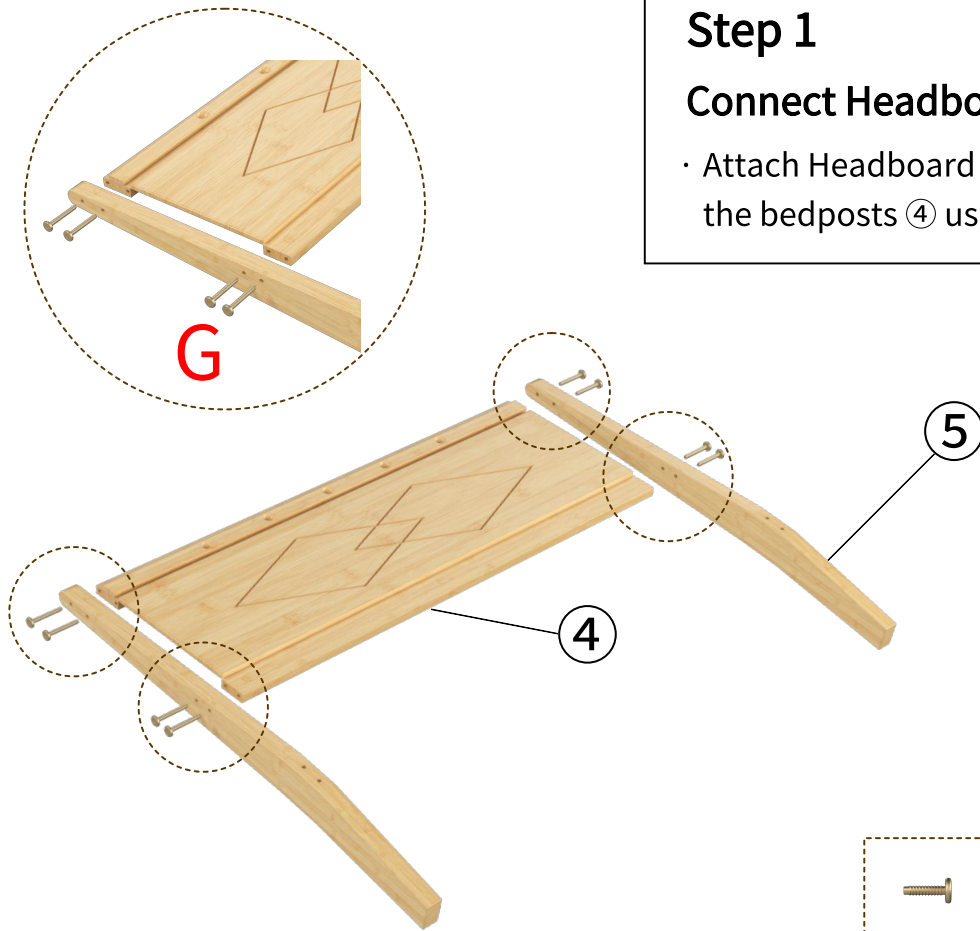

Step-by-step opening, no all-at-once.

Step 1

Connect Headboard Panel

- Attach Headboard Panel-A ⑤ to the bedposts ④ using bolts (G).

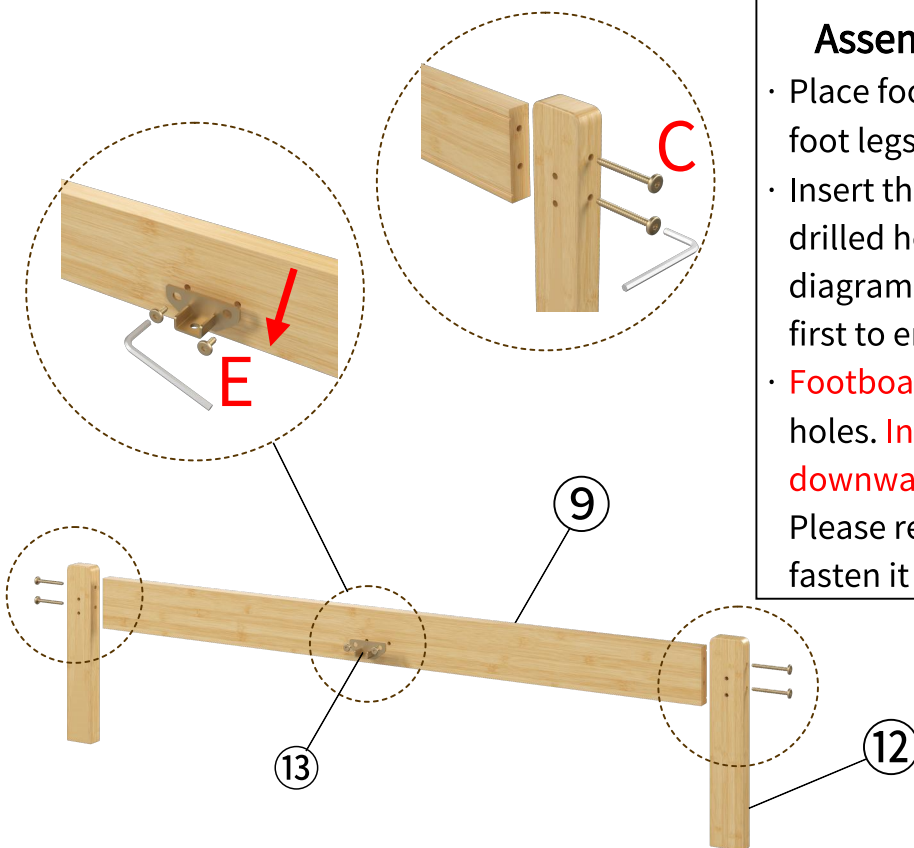

G×8 M6*33

Step 2

Assemble Footboard

- Place footboard ⑨ between the two foot legs ⑫.
- Insert the bolts (C) through the pre-drilled holes as shown in the diagram and hand-tighten all bolts first to ensure proper alignment.
- **Footboard ⑨** has off-center holes. **Install it with the holes facing downward** for correct orientation. Please refer to the picture, and fasten it with Bolts (E) and ⑬.

C×4 M6*75

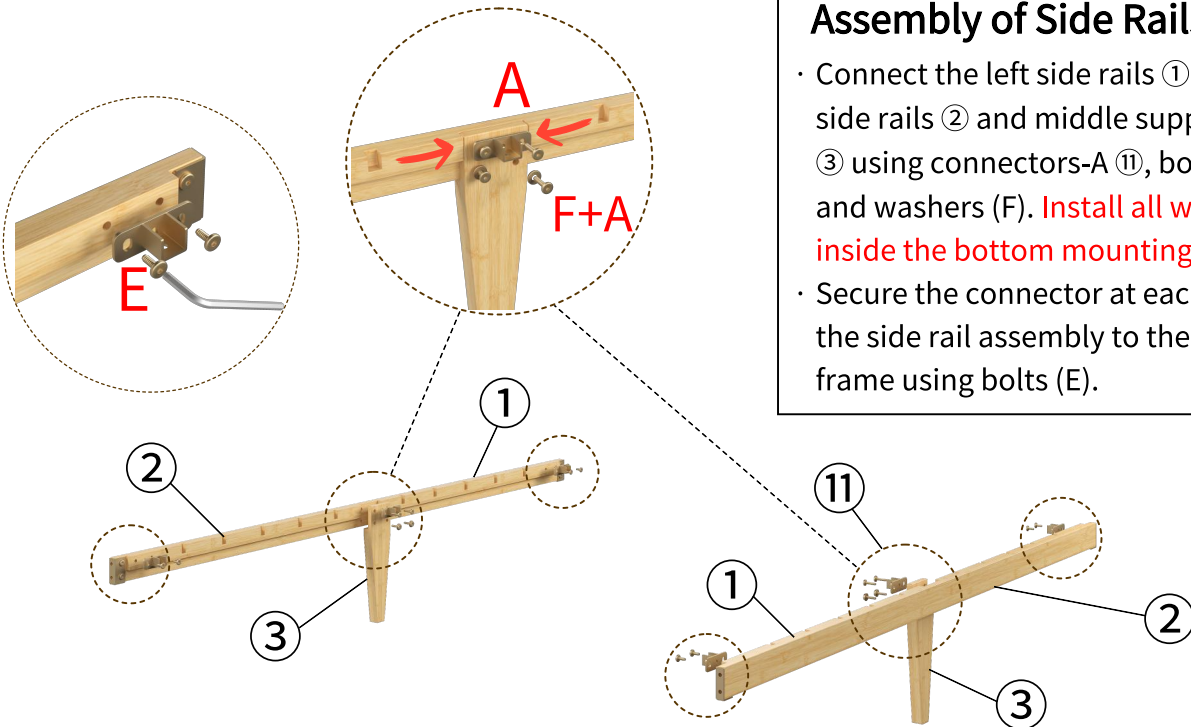

E×2 M8*14

Step 3

Assembly of Side Rails

- Connect the left side rails ①, right side rails ② and middle support legs ③ using connectors-A ⑪, bolts (A) and washers (F). **Install all washers inside the bottom mounting holes.**
- Secure the connector at each end of the side rail assembly to the bed frame using bolts (E).

Note: Follow the direction indicated by the red arrow in the detailed view for proper installation.

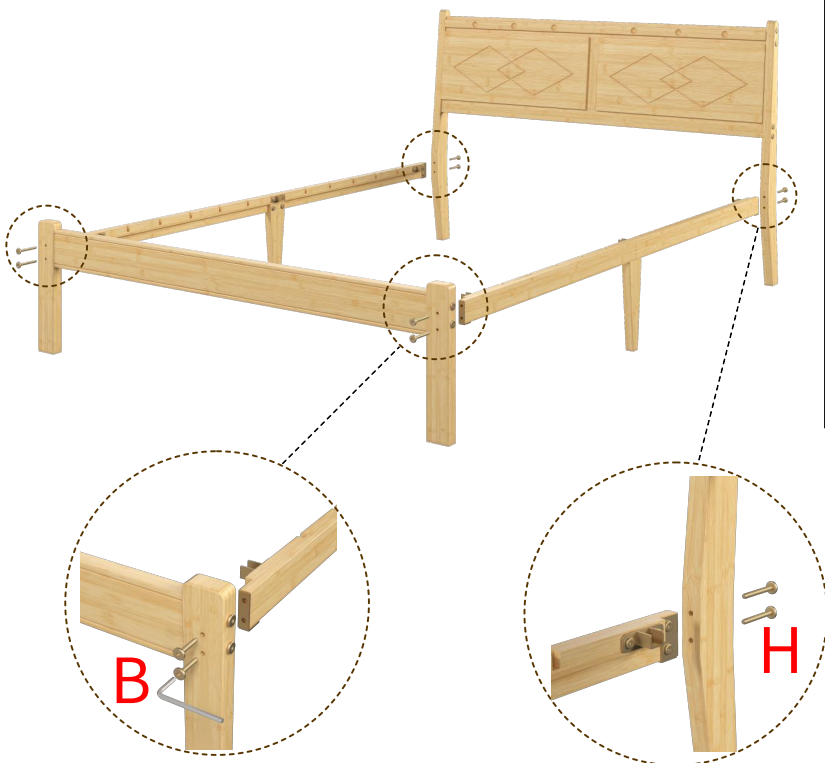

⑪ should be placed in the two screw holes above ③.

	A×8	M8*27
	E×8	M8*14
	F×4	M8

Step 4

Assemble the Bed Frame

- Align the mounting brackets on the side rails with the corresponding holes on both the headboard and footboard brackets.
- After all the bolts are in place, use the included hexagonal wrench to tighten bolts (B) and bolts (H).

	B×4	M8*36
	H×4	M8*70

Step 5

Install the Center Support Rail

- Attach the center support rail ⑥ to both ends of the bed frame using bolts (B).

Note:

Ensure all connections are properly aligned before final tightening. This step is crucial for the bed's stability.

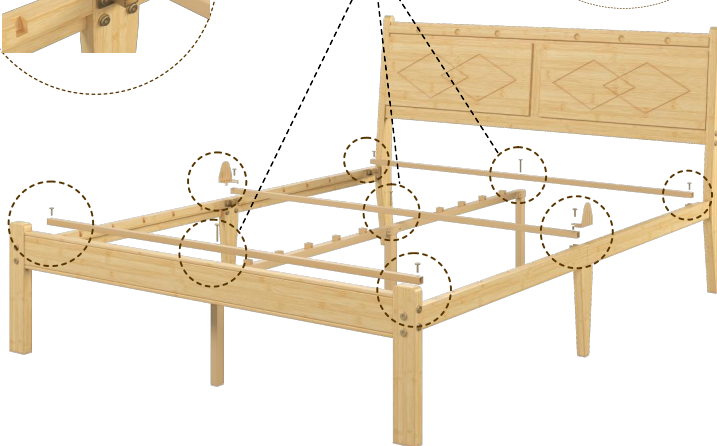

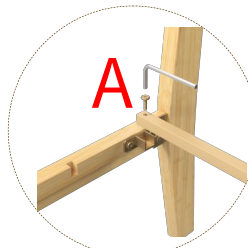

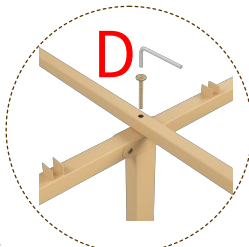

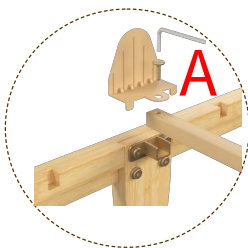

B×1 M8*36

Step 6-1

Install the Center Support Bar

- Use bolts (A) and bolts (D) to secure the center support bar ⑧ onto connector-A ⑪.
- **(Optional)** Install the mattress stopper ⑭ on the center support bar ⑧: **Pull the two bottom claws of the retainer outward to fully seat against the side rail**, then tighten the screw to avoid wobbling.
- Once all parts are assembled, fully tighten all bolts.

Note:

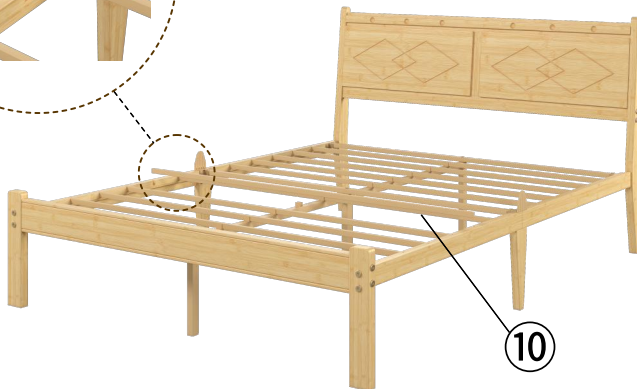

The mattress stopper ⑭ is optional —install it if needed, or skip this step.

A×6 M8*27

D×3 M8*53

Step 6-2

Install the Bed Slats

- Place all bed slats ⑩ across the side rails.

Note:

Before completing assembly, double-check that all screws and components are fully tightened.

IMPORTANT INFORMATION

Warning

- 1. Age Restriction:** The bed is not designed for children under 4 years old.
- 2. For your safety:** Jumping, rough play, or other vigorous activities on the bed are not recommended as they may cause injury or damage to the bed frame.
- 3. Do not drag or push the bed frame:** Always use two people to lift and reposition the bed frame to avoid damage to the frame or the floor.

Cleaning & Care

- 1. Cleaning method:** Use a dry or slightly damp soft cloth for cleaning. Avoid abrasive cleaners, which can damage the finish.
- 2. Hardware maintenance:** Fasteners may grow loose over time. Inspect and retighten all connections regularly to keep the bed stable and prevent wear and damage.

Please keep these instructions for future reference!
