Excellent Customer Service-Please Contact Us Before Return Our Product!

If you have any questions about our products, please contact us through the Market Order Message Center. We will respond within 24 hours. Thank you for your support!

Please Read Before Assembly

Read Before Beginning Assembly:

1. Clearing a area: Please assemble in a spacious area near the product's final location, preferably on a carpet or protected surface to safeguard both your floor and the product
2. Team assembly is recommended: It is recommended that 2 people assemble this product. Having an extra hand can make the process faster and easier.
3. Check for all parts: Most parts are labeled or stamped on the raw edge. Ensure all parts are included before starting.
4. Read each step carefully: Follow the assembly steps in the correct order. Skipping steps or changing the sequence can lead to difficulties.

Caution:

Choking Hazard: This product contains small parts. Keep them away from children under 4 years old. Children under 4 years old must be supervised by adults when near the bed.

Warranty Information:

1. This product is warranted against defects in materials and manufacture for 5 years from the purchase date (proof of purchase required).
2. Warranty covers defective parts only. Assembly labor not included.
3. Not valid for misuse, improper assembly, alterations, or unauthorized repairs. No liability for consequential damages where permitted by law.

Notice:

1. Please do not jump, play, or engage in vigorous activities on the bed to avoid injury or damage to the bed frame.
2. If any parts are missing or damaged, please provide your order number and the names of the parts you need so we can process a replacement.

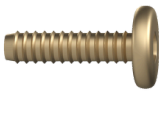

Do not fully tighten any screws until the entire assembly is complete. This will allow for proper alignment and adjustment during assembly. Tighten all screws at the end to ensure the structure is secure.

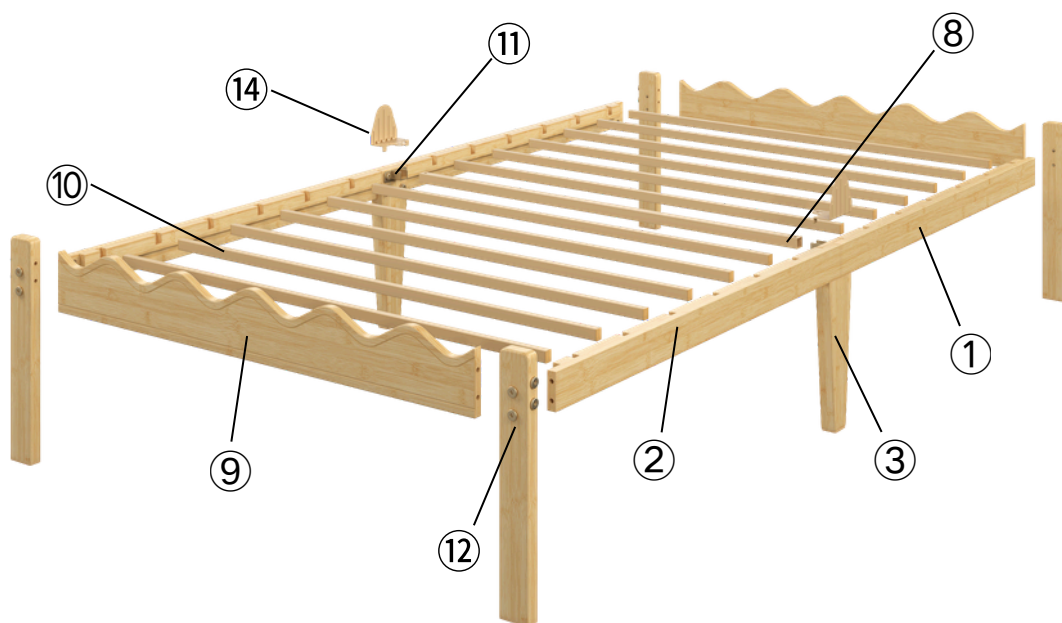

This product only includes the parts numbered above and the missing numbers are not used in this product.

			
① x 2PCS Left Side Rail	② x 2PCS Right Side Rail	③ x 2PCS Middle Support Leg	⑧ x 1PCS Center Support Bar
			
⑨ x 2PCS End Board	⑩ x 12 PCS Metal Slat	⑪ x 2 PCS Connector-A	⑫ x 4PCS Foot of Bed
	Legend: ①x2 means Part No.①, 2 pieces. M8*27 means an M8 - sized screw with a length of 27mm		
⑭ x 2 PCS Mattress Gasket			

	 C x 8PCS M6*85	 A x 8PCS M8*27  F x 4PCS	 B x 8PCS M8*36  H x 8PCS	 A x 2PCS M8*27	Ax1 Bx1 Cx1 Hx1
Tool	Step 1	Step 2	Step 3	Step 4	Spare

Step-by-step opening, no all-at-once.

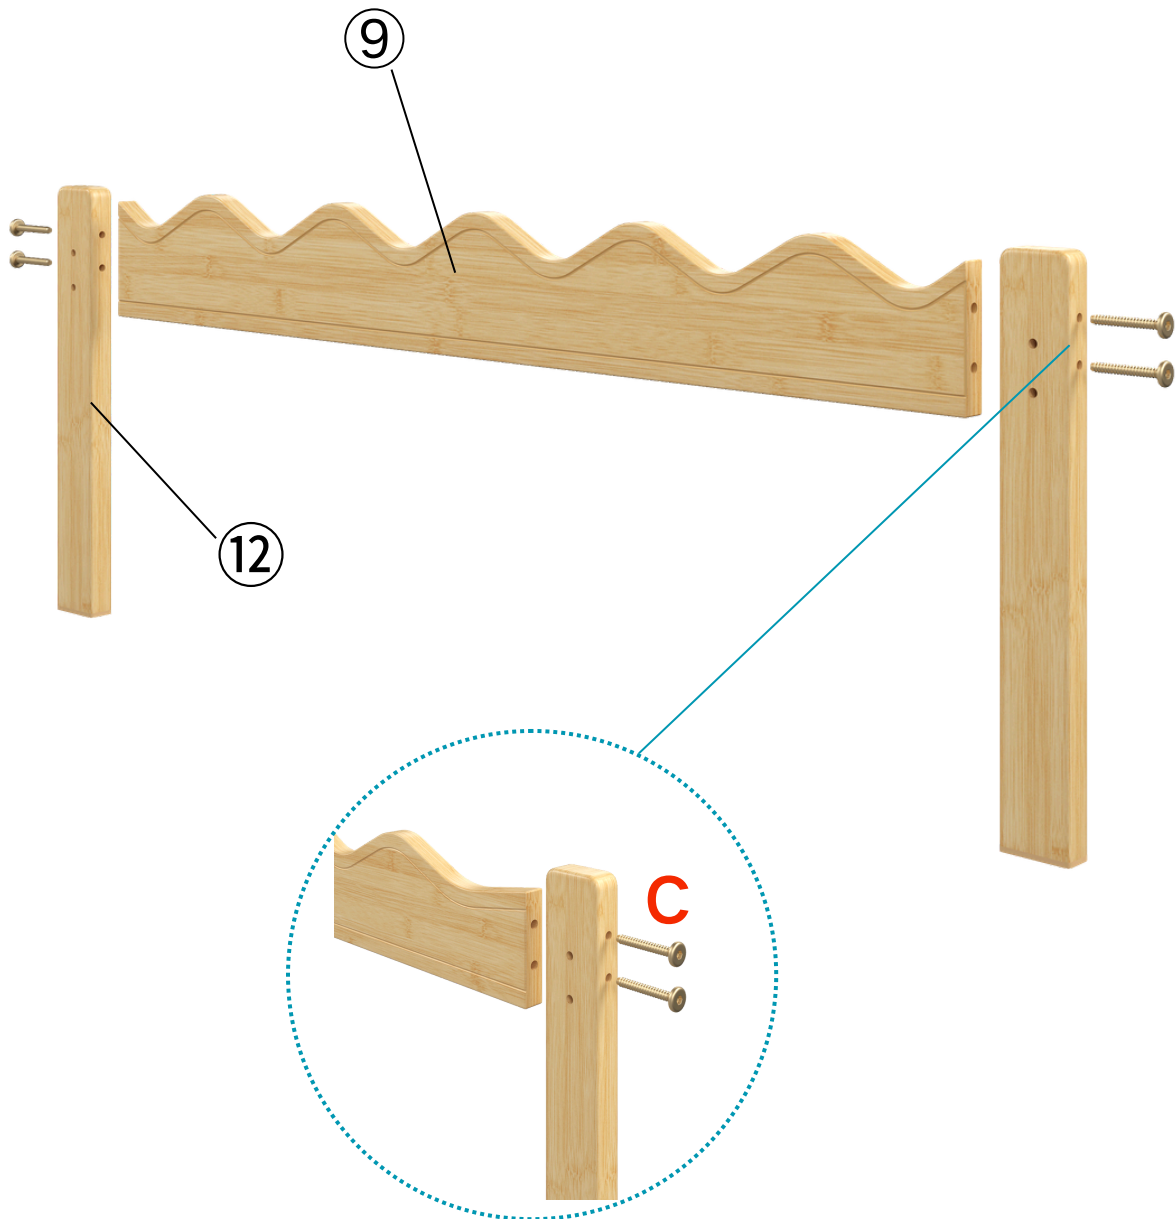

Step 1: Assemble the End Board x 2

- Position the end board ⑨ between the two foot of bed ⑫.
- Insert bolts (C) through the pre-drilled holes as shown in the diagram, and hand-tighten all bolts first to ensure proper alignment.

Note: Please assemble it while laying it flat on the ground to ensure alignment.

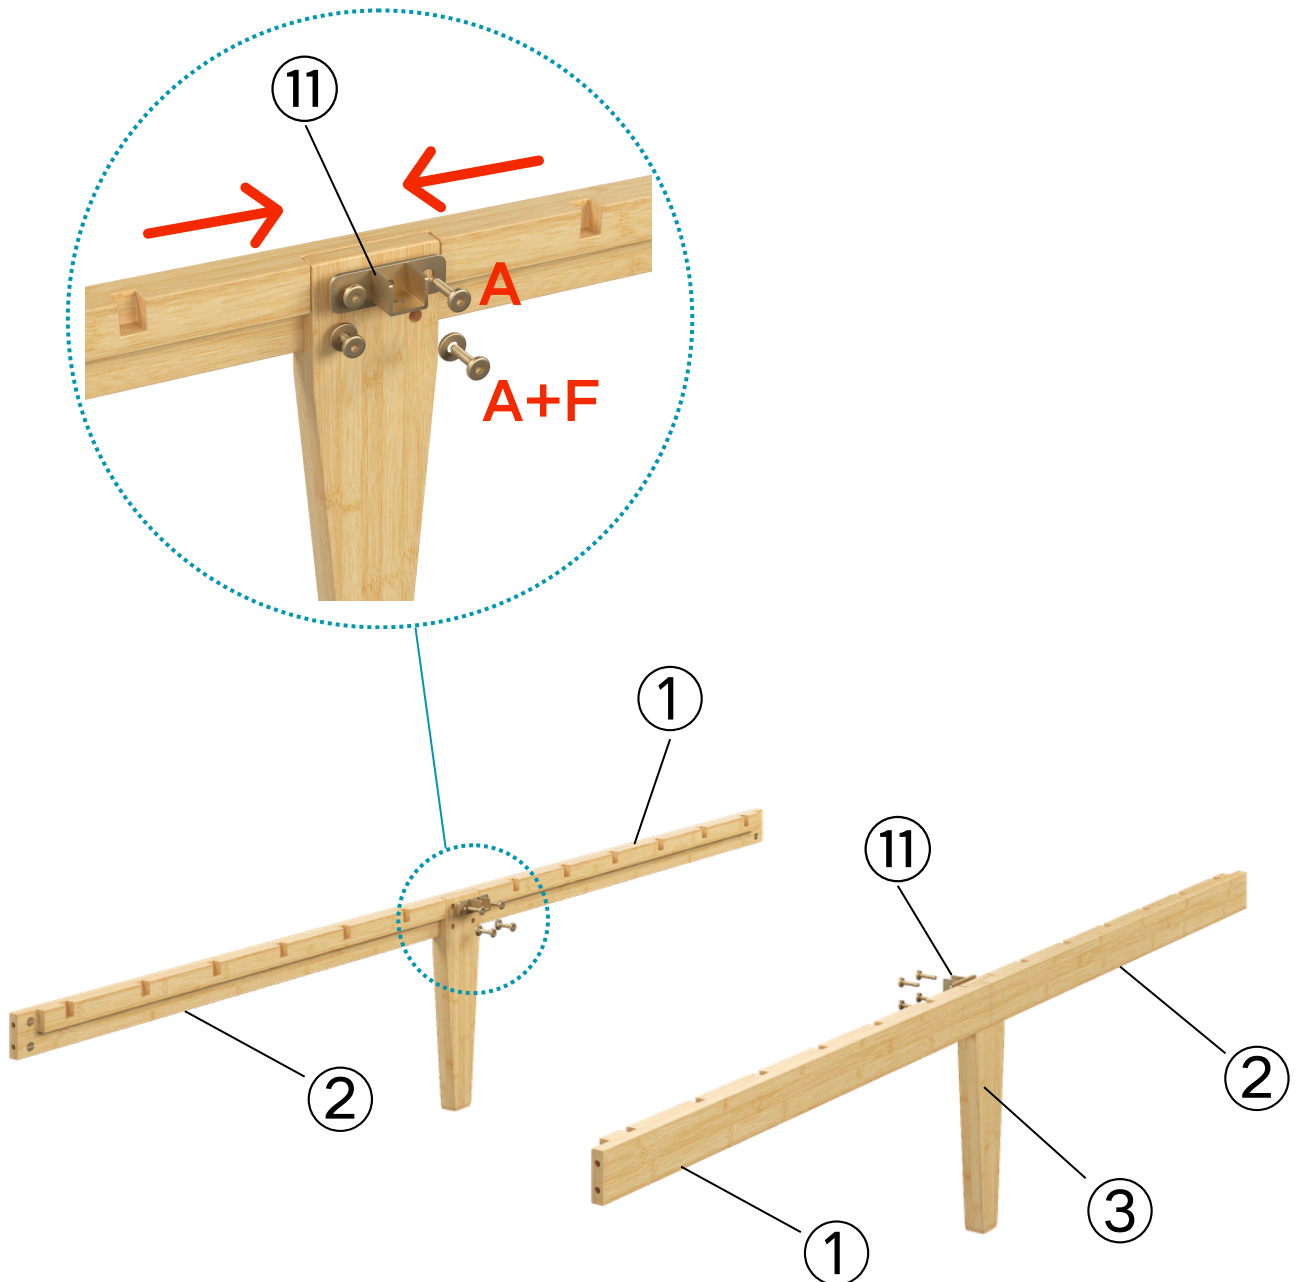

C × 8 PCS M6*85

Step 2: Assemble the Two Side Rails

- Align and join the left side rail ①, right side rail ②, and middle support leg ③ - **Attach the non-holed end of both side rails to the middle support leg ③.**
- Secure the assembly using Connector-A ⑪, bolts (A), and washers (F).
- **Install the washers (F) ONLY on the bottom 2 holes as shown in the diagram.**

Note: Follow red arrows in detail view for installation.
Install Connector-A ⑪ into the two screw holes above middle support leg ③.

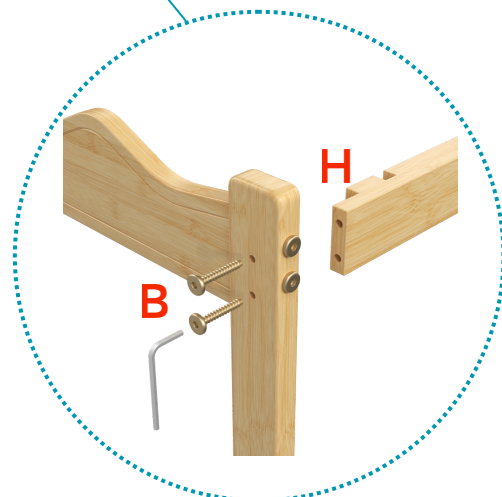

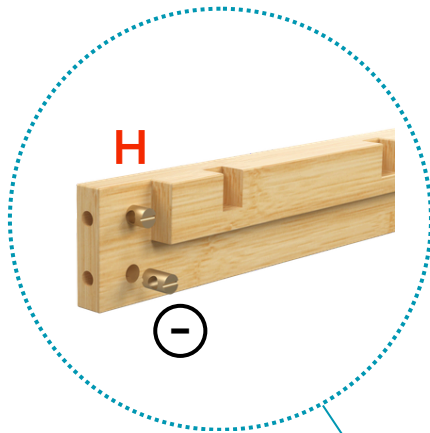

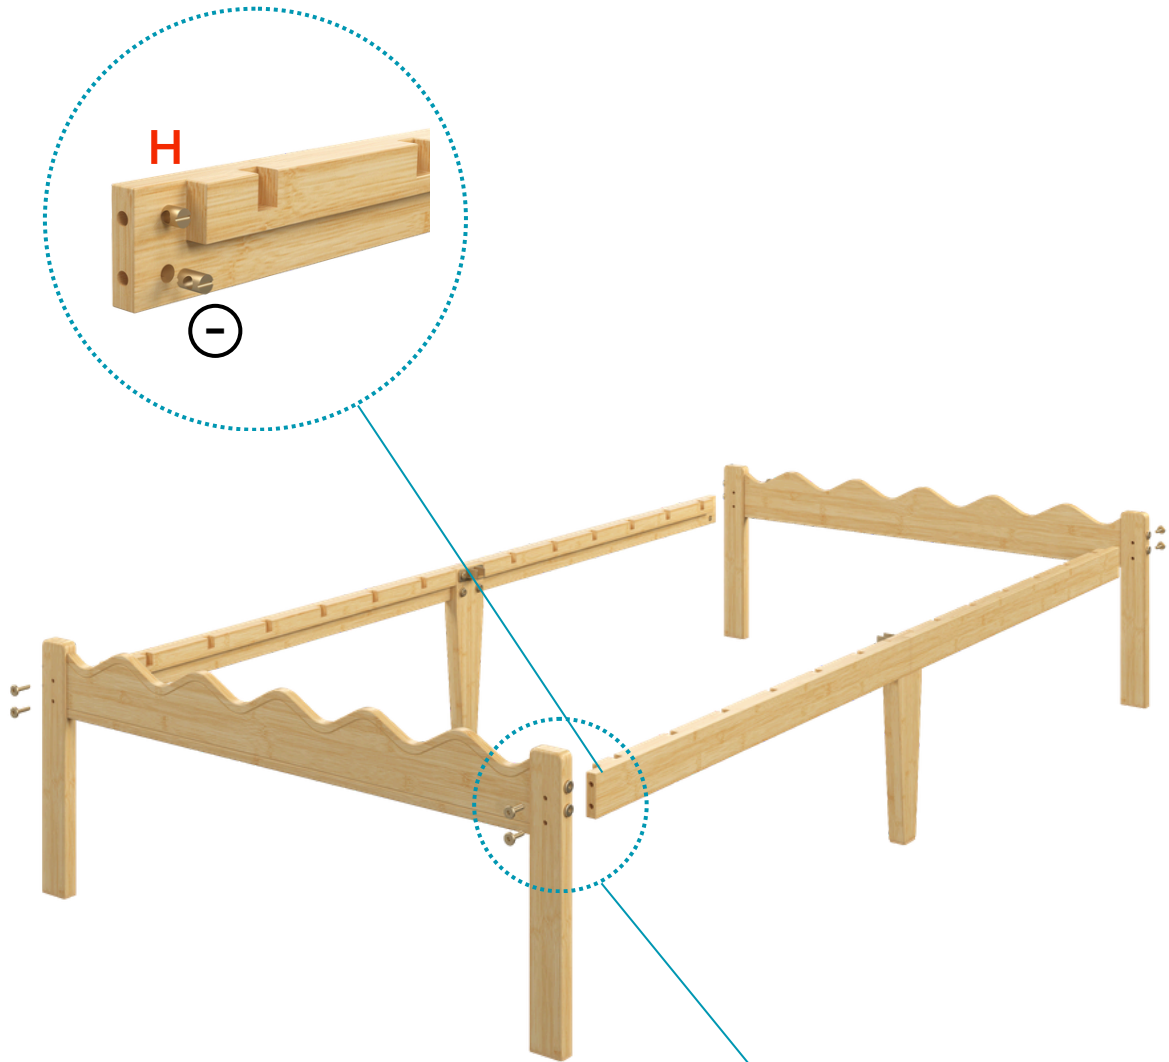

A × 8 PCS M8*27

F × 4 PCS

Step 3: Build the Bed Frame Main Structure

- Insert connectors (H) into the pre-drilled holes directional, **centerline perpendicular to the bed feet**. If needed, use a flathead screwdriver to level it horizontally. ⊖
- Align the mounting brackets on the side rails with the corresponding holes on both end boards.
- Once all bolts are in place, use the included hex wrench to tighten bolts (B).

B × 8PCS M8*36

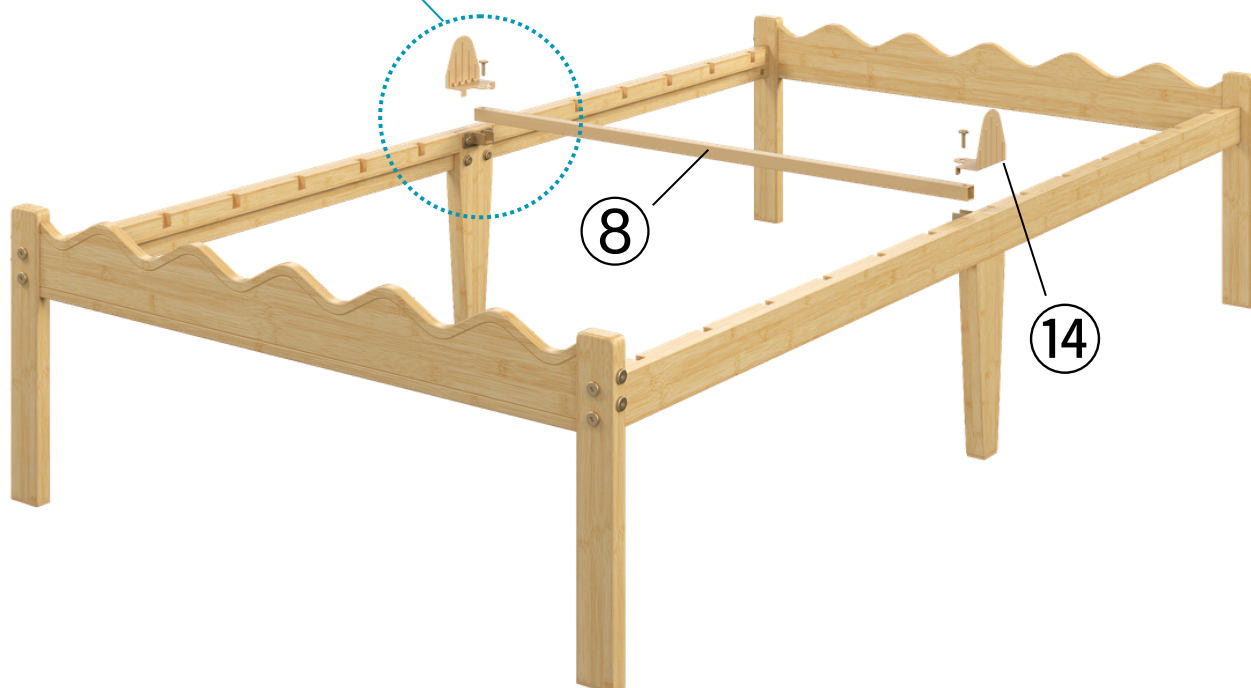

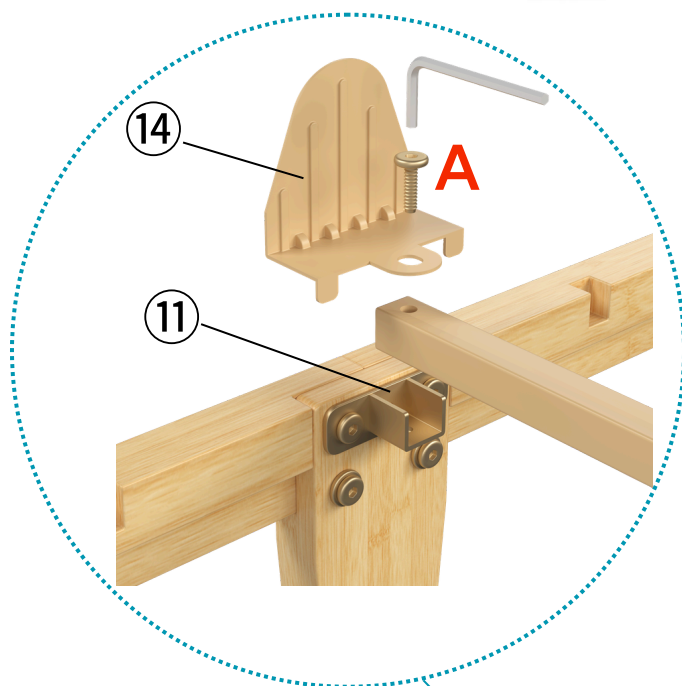

H × 8 PCS

Step 4: Attach the Center Support Bar

- Use bolts (A) to secure the center support bar ⑧ onto connector-A ⑪.
- **(Optional)** Install the mattress stopper ⑭ on the center support bar ⑧: Pull the two bottom claws of the retainer outward to fully seat against the side rail, then tighten the screw to avoid wobble.
- Once all parts are assembled, fully tighten all bolts.

Note: The mattress stopper ⑭ is optional - install it if needed, or skip this step.

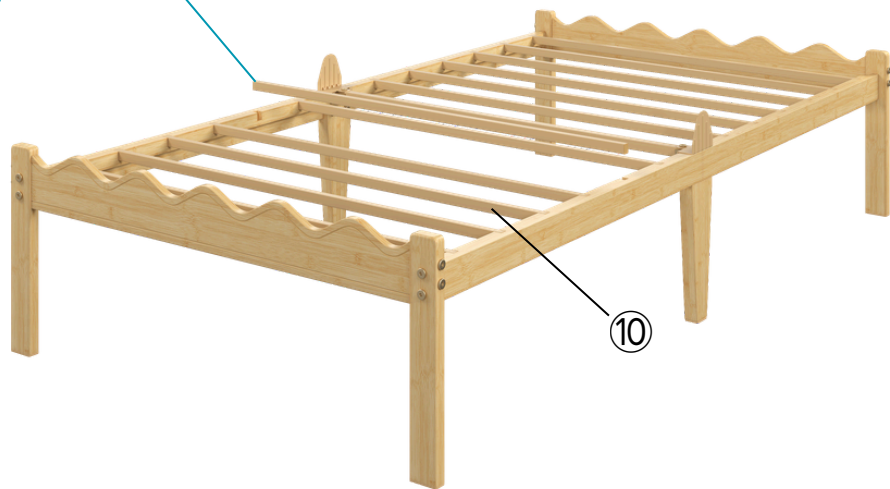

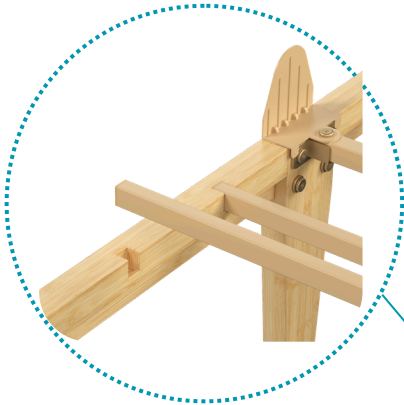

A × 2 PCS M8*27

Step 5: Install the Bed Slats

- Place all bed slats ⑩ evenly across the side rails.

Note: Before completing assembly, double-check that all connections are properly aligned and bolts are fully tightened. This is critical for the bed's stability and safety.

Note:

Check the tightness of all screws, retighten them, and ensure the structure is stable.

Reminder:

Regularly inspect the tightness of screws every 6 months. Retighten any loose ones promptly to maintain stability.

Cleaning & Care:

Use a dry or slightly damp soft cloth for cleaning. Avoid abrasive cleaners and corrosive substances (e.g., alcohol, bleach) to protect the product's finish. Regularly wipe off dust to extend service life.

Please keep these instructions for future reference!
